fine stationery & custom letterpress

.....

ellequent's founder, laura e. cole, is proud to carry on the age-old method called letterpress. the gentle, yet concise, indentation of a letterpress has the unique ability to create an impression not only on the paper's surface but on the recipient as well.

she welcomes you to work one on one with ellequent to design a custom piece for any occasion. from elegant wedding invitations, birth announcements, personal stationery or even holiday cards. whatever your stationery need may be ellequent wants to help fulfill it.
